

Guide Dogs.

Corporate Workshop.

What is our Corporate Workshop?

This interactive training workshop is co-designed and co-delivered by an Industry Trainer and Lived Experience Presenter. Throughout the workshop, you will explore the vital aspects of supporting people with low vision or blindness, whether they are current or future customers, Clients, or employees.

Throughout this comprehensive workshop, participants will gain valuable insights into common vision conditions, relevant legislation and research, Assistive Technology, guiding and assisting, and how to create a more accessible and inclusive environment for everyone.

Who should attend this workshop?

Any business that wants their staff to learn more about how to break down the barriers that impact the lives of people who are blind or have low vision. Additionally, we educate corporate teams seeking to create a more inclusive, accessible workplace culture and better serve their customers and Clients.

What will you learn?

Each workshop is tailored to your organisation and purpose in the community. Some of the things you'll learn include:

- Guide Dogs NSW/ACT's mission, purpose and services. We're about more than just dogs!
- Moving from the medical to the social model of disability.
- Challenging the bias towards people with a disability.
- Let's talk about blindness or low vision: understanding common vision conditions and what they can mean for people accessing their workplace and the community.
- How to offer assistance, the 'Triple A' way: Approach, Ask, Assist.
- Inclusive language: what is it and why it's important.
- Let's banish the barriers: easy actions towards accessibility, inclusivity and creating positive change.
- Awesome advocacy! How to become an Inclusion Ally.
- A 'Questions and Answers' session with our Lived Experience Presenter.
