

# Guide Dogs Sponsorship Packages

## Sponsorship packages to suit all businesses.

Guide Dogs hosts various community and exclusive events across the year that offer businesses the opportunity to create brand alignment and awareness to engage with stakeholders, staff and supporters alike.

Sponsorship of a Guide Dogs event is a valuable way of supporting the community, partnering with a leading provider of orientation and mobility services for Queenslanders with low vision or blindness.

Align your brand with ours to demonstrate social responsibility to your customers, reach new audiences, create public brand awareness and build staff engagement.
